66 Stat. 786

Section 5(a) . . . "After receipt of such plans, maps, and data, it shall be the duty of the Commission to make promptly a preliminary report and recommendations to the agency or agencies concerned. If, after having received and considered the report and recommendations of the Commission the agency does not concur, it shall advise the Commission with its reasons therefore, and the Commission shall submit a final report. After such consultation and suitable consideration of the views of the Commission the agency may proceed to take action in accordance with its legal responsibilities and authority."
